KILMORE DISTRICT HOSPITAL'S GARDEN PARTY SPONSORSHIP PROPOSAL

ABOUT THE EVENT

We invite you to support the Kilmore District Hospital by sponsoring the Garden Party. This inclusive community event unites residents, businesses, and visitors for a day filled with joy, entertainment, and goodwill. The aim is to celebrate all things Kilmore, with local arts and craft stalls, food and beverages, including Devonshire tea, kids' entertainment and a jumping castle.

This event will be widely promoted both locally and to our wider audience in the north, and through your sponsorship, you'll not only gain valuable exposure to our visitors but also align your brand with a well-recognised reputable institution – your local hospital.

Join us in making this year's garden party a resounding success while showcasing your support for the local community. With 9,000 staff spread across our campuses in Kilmore, Craigieburn, Broadmeadows, Epping, Mernda and Bundoora, your generosity will gain excellent visibility not only in Kilmore but across all our campuses and to all our staff.
